THE BATTLE OF SAN BRUNO ROAD

by C. of C. Secretary-Manager.

Within the past few weeks Supervisor Hickey, together with Supervisors Edmonds and Poss, attempted to drive over the hill on San Bruno Road. Their reaction to the attempt is still in doubt.

Mr. Hickey, seemingly has done everything to help the people of Brisbane gain another outlet from the town, yet, the Board of Supervisors have gone back on THEIR word, given to a committee of citizens who appeared before them during the Fall of 1945. At that time the Board told our committee to go back to the people of Brisbane and circulate a petition to be presented to the Board, asking them to declare San Bruno a secondary road and that they would see that it was done. By declaring it a secondary road, it could legally be improved with County Road funds.

Following is a copy of the letter received from the Board of Supervisors in response to a letter written by them to Mr. Grant, County Engineer. (Letter addressed to the Board of Supervisors)

Gentlemen:
A letter from the Brisbane Chamber of Commerce requesting information as to what action has been taken on the petition, asking that the San Bruno Road extension through Brisbane Acres be designated as a County Road, has been referred to my office for a report.

Please be advised that the subdivision of what is known as Brisbane Acres refused to comply with the rules of the Planning Commission and elected to subdivide the land and sell by metes and bounds, although he knew at the time (October, '39) that the streets would not be accepted and the subdivision could not be made a matter of record.

The subdivision as laid out is one of the poorest examples of engineering there is in the County. People subsequently bought lots in the unrecorded area and they now request the Board of Supervisors to place one of the streets, namely, San Bruno Road, in the county road system. I would call to the attention of the Board the fact that we do not have sufficient funds to maintain and rebuild roads and streets in subdivisions that have complied with the rules of the Planning Commission and the specifications of the County Engineer's Office.

The County has no obligation in the streets of Brisbane Acres (an unrecorded subdivision) and I recommend that the Board of Supervisors take no action on the petition.

Very truly yours,

Signed: M. A. Grant, County Engineer.

The above letter was quoted in full so that every one in Brisbane can have a clear conception of just how Mr. Grant feels NOW. His feelings are considerably different than the position he took when first approached during the war. He stated then, that when and if the water pipes were lowered across the road, he would have the road improved.

To the PEOPLE of BRISBANE:

Are we going to take this laying down; while the Board of Supervisors and the County Engineer pass the buck back and forth, while we stand on the side lines hoping that someday we might be lucky enough to get a few loads of gravel spread on this road?

How about the huge amount spent on the Ralston Avenue Road in Belmont during 1946? This road is supposed to be supported from the Gas Tax coming from the State to the City of Belmont. It is a fact that in the early 30's that nearly \$1500.00 was spent by the City of Belmont to straighten out an "S" curve at which time the Engineer's fee was close to \$500.00.

It might be well at this time to call to the attention of Mr. Grant and the Board that it was not only the signatures of the people living in the Acres (and incidentally at one time referred to by Mr. Grant as squatters) but also those of the people living in the town proper. There were close to 600 signatures on the petition and every organization in town got out and secured signatures in record time.

Surely, somehow, there must be a legal method, when the safety of the people is at stake, that a road of this type, nature and location can be taken over by the County and sufficient money from the county funds be allocated for its improvement and upkeep. The Road in question is about 1800 feet long, together with a short section of Anis Road, about 200 feet, making a total of only 2000 feet. About 250 yards of crushed rock should cover it to a depth of approximately 3 inches at a cost of well under \$1000.

We would like to know just what the County's share of gas tax is, derived from the cars registered in Brisbane and the amount spent within the area. There are about 1000 cars registered in Brisbane.

Why should a town of better than 4500 people be made to suffer for the misdoings over fifteen years ago by some real estate operator?

It is true, that recently, the County did widen and put into first class condition that part of Visitation Ave. from the old San Bruno Road to the Highway. The question arises, why did they do this? It is general knowledge that the old San Bruno Road is to be widened from Visitation to the Highway by way of Shell Oil Station for at this point the Causeway connecting the new Freeway will enter the Town. It is understood that at that time Visitation will be closed in order to lessen the dangers to the children playing at the recreation center and ball grounds. Advantage will be taken of San Francisco Street as this street will bridge the over pass across the Bayshore Highway, thence onto the Causeway.

The above article is only one of the many examples why the Chamber of Commerce needs the support of every Citizen and Organization in town to help right such wrongs.

HOME TOWN FOLKS

Jack R. Rook, Seaman 1st class U. S. N., finished his first leave after 15 months overseas duty. He sailed for Guam, Wednesday, March 18. Jack's was a "busman's" holiday for during his leave from the job as Coxswain, he spent every available moment dashing around the Bay in his Dad's new 17 foot Higgins sport run-about. Jack is the son of Wm. H. and Arlene Rook of 432 Monterey Street.

Esther Baker Tolley, having given birth to a son Feb. 22, left March 24th for McLeansboro, Ill. to take residence in the home of her Mother-in-law, pending the return of her husband from overseas. Mr. Tolley is with the U. S. Navy.

Eutohna Mazzacco, 443 Monterey Street is home and convalescing after an operation at St. Mary's Hospital.

Leo Bartine, owner of the Hill-Top Market, is home on "leave" from Fort Miley Hospital where he is undergoing treatments for a throat infection.

After being absent from work for six weeks and in the hospital with a severe rupture, Fred Schmidt, Mono Street, is back on his job at the United Airlines. Fred sustained his injury while in line of duty as Fire Chief during a fire drill at the airport.

Jean "Scotty" Radoff is enjoying a much needed rest, visiting with friends and relatives in Placerville.

Wednesday morning, March 19th, the Brisbane Ambulance rushed R. H. Miller, 8 El Dorado Street, to the South San Francisco Hospital. Upon arrival, he was pronounced dead with a heart attack.

Mr. Emil Gull was operated on at St. Lukes Hospital, March 17. Friends will be glad to know that he is now home and recovering nicely.

Mr. and Mrs. John Muzzy, 351 Mariposa Street, announce the birth of a son, Lynn Noel, born February 14.

Mr. and Mrs. Clair Coffin, San Benito Road, with their newly acquired Buick, spent a few days touring down State visiting friends and relatives.

"Tex" Bolden, owner and manager of the Brisbane Garage and Body Shop on San Bruno Avenue, has secured a license from the State to deal in used cars. It is believed to be the first used car license issued for Brisbane. "Tex" plans to offer quality cars at sensible prices. He also plans to accept cars for sale, on consignment. The new business will be known as the Brisbane Motors, operating at the same address.

Be sure you vote for Fire Commissioner, Monday, April 7. Polls at the American Legion Hall will be open from 7 A. M. to 7 P. M.

Mr. and Mrs. Allan R. Adams, 45 Inyo Street, are happy to announce another "income tax exemption", a baby girl born March 15. Al is President of the Brisbane Chamber of Commerce.

NEWS BULLETIN

Well here we are back again! In a brand new dress and full of vim and vigor, to observe the Easter Season with this April edition. We regret very, very much that we were forced to suspend publication for the past three months. Needless to say, it was no fault of ours; with rising costs and paper shortages etc. From now on we hope you receive your copy of the News Bulletin regularly.

This is your newspaper, so why not help make it a greater success by supplying your editor with news items that would be of interest to your neighbors and friends?

As may be noted, a subscription fee has been added to help defray the expense of editing, however this April issue will be distributed, free of cost to every family in Brisbane. Several copies will also be mailed down the Peninsula.

At present we would like to have the services of more news reporters and advertising salesmen. The salesmen will work on a commission basis. Any one interested, please contact the Editor; P. O. Box 485 or Phone RA 5531.

NOTICE

Don't forget the WHIST-BINGO party at the School House, April 18. The party is for the benefit of the Brownies and Junior Girl Scouts Troop 3. Tickets 25 Cents. Door prizes.

EASTER EGG HUNT

The second annual Easter egg hunt under the sponsorship of the Chamber of Commerce will take place at 2 P. M. Easter Sunday on the hill adjoining the Cross. All children under 12 years of age will be eligible to participate. They will be divided into two age groups; from the toddling tots to 6 years of age and from 7 years to twelve. The first group will get the nod to look over the field to find as many of the Easter Bunny's eggs as they can. The second group will get a chance to pan the tailings, for all the eggs will be numbered and the ones finding the lucky numbers will be entitled to one of the many prizes given away; all the way from a bar of candy to theatre tickets and ice cream goodies. Motion pictures will be taken; so all you youngsters come dressed in your Easter best. There will be several hundred eggs, so there should be at least one or two eggs for each youngster.

The older Boy Scouts will help the Easter Bunny hide her eggs and the American Legion will assist in seeing that the children stay within the boundry. Everyone in town is cordially invited to attend and see the fun.

NOTICE.

The Easter Sunrise Service, April 6, will be on the hill by the Easter Cross on the south side of town. Everyone available should plan to attend. The services will start at sunup (about 6 A. M.) All churches and their pastors are planning to participate.

BRISBANE HELP ASKED

County Supervisors seek aid from Brisbane in forming a Peninsula Citizens' Traffic and Transit Committee.

Your Chamber of Commerce received the following letter from the County Court House asking for a representative from Brisbane to serve on a Citizens' Traffic Committee. Anyone desiring to represent our town should get in touch with A. E. Kennedy at once.

March 20, 1947

Chamber of Commerce,
Brisbane, California.

Gentlemen:

The Peninsula traffic and transit system in and out of San Francisco is approaching collapse.

The San Mateo County Supervisors and Mayors of several Peninsula Cities have asked that I organize a public meeting to adopt a plan or method to improve or solve this unsatisfactory and critical situation.

I have accepted this responsibility in the sincere belief that no matter is of greater importance to the entire Peninsula area. The transit facilities into San Francisco should compare favorably with the facilities afforded the trans-bay area by the present and proposed second bay bridges.

In order to accomplish the first step toward achieving this objective, I am asking the Board of Supervisors of Santa Clara and San Mateo Counties and the City Councils of every city on the San Francisco Peninsula to designate a member of their respective bodies to meet with me and serve on an advisory committee on preliminary plans.

Your help is vitally needed if we are to find a remedy! We must unite on this priority project if our problems are to receive consideration in the "master traffic plans" now in the making! Can I count on your enthusiastic support?

The advisory committee will meet in the Supervisor's Chambers, County Court House, Redwood City, at 7:30 P. M., Tuesday, April 8, 1947. I will appreciate your advising me of the action you take and the name of the representative from your body you designate to attend this meeting.

Very truly yours,

Signed: Frank M. Bartlett,
Peninsula Citizen's Traffic
and Transit Committee.

San Mateo, Calif.**Senior Scout Troop organized in Brisbane.**

A Senior Scout Troop is in the process of organization under the sponsorship of the Chamber of Commerce.

Through the cooperation of the American Legion and Firemen's Social Club, two members of each, as well as two representatives of the citizens of Brisbane, will serve on the Scout Committee.

The following are now serving on the Committee:

Alan R. Adams, Chairman,
J. J. Fichera, Secretary Treasurer,
Norman R. Brown, Sea Scout Leader
Harris R. Hooper, Assistant Sea
Scout LeaderWm. H. Rook, Assistant Sea Scout
Leader**Also on Committee:**J. Theodore Bons, John E. Corrigan,
A. F. Koch, Charles H. May, Jr., Ed-
gar W. Dagler, L. H. Terry, Waldon
Delbon.

At the present time, only a Sea Scout Group is contemplated, however, it is hoped that sufficient interest in this organization will warrant the forming of an Air Squadron and an Explorer Troop within the near future. Fred Schmidt Sr., and A. F. Koch are interested in Air Squadron. Mr. Koch in advisory capacity only.

To be a Senior Scout, a boy must be at least 15 years of age. Previous scout experience is not required. Any boy, interested in becoming a member, may contact Mr. Norman Brown, Telephone Number RA-4841, or Post Office Box 55, Brisbane.

**MINUTES OF FEBRUAR MEETING
BOARD OF FIRE COMMISSIONERS**

Regular meeting of the Board of Fire Commissioners was held in the American Legion Hall, February 3rd, 1947, with Commissioner Allen presiding. Wm. H. Rook was appointed by the Board of Supervisors to fill the vacancy due to Mr. Lowe's resignation. Minutes for the meeting of January 6th, 1947 were read and approved.

The following warrants were issued for the month of February:

No. 1369—State Compensation Ins. Feb. 1, '47 to Feb. 1, '48.....	\$200.00
No. 1370—Pacific Tel. & Tel. Co., for Jan. '47.....	\$ 15.25
No. 1371—R. Siess, Maintenance for Jan. '47.....	\$ 20.00
No. 1372—Brisbane Fire Dept., Rent for Jan. '47.....	\$ 50.00
No. 1373—Mrs. B. C. Terry, Clerical work for Jan. '47.....	\$ 25.00
No. 1374—Frank V. Kington, Attorney's fee for Jan. '47.....	\$ 25.00
No. 1375—L. E. Terry, Chief's salary and expenses for Jan. '47.....	\$ 50.00
No. 1376—Brisbane Fire Dept., Alarms answered in Jan. '47.....	\$ 53.00
No. 1377—Brisbane Water Co., May 1, '46 to Dec. 31, '46 @ \$19.50.....	\$156.00
No. 1378—Chucks Service, supplies, gas and oil.....	\$ 44.00
No. 1379—Wesley Smith, Ass's. Chief's salary and expenses.....	\$ 10.00

Total warrants expended\$658.25

Balance in Fund as of January 9, 1947.....\$2,461.94

Chief's report and Ambulance reports read and accepted.

Topics touched in the Chief's report were: Inspections of auto wrecking yard and tire house on Bayshore-hose and equipment drill-hose rack-possibility of obtaining a loud siren from Government surplus — and about the Crocker Estate coming into the Brisbane Fire district when the project is ready. Also, that linen and blankets can be loaned to us from the County for use in the Ambulance.

Maintenance cards were examined and accepted. Mr. Dixon reported that Mr. J. Diel had bid \$225.00 for construction of the hose rack. Motion by Wm. Rook and seconded by Bob Allen that the contract be given to Mr. Diel to be constructed for the above amount and under the specification of the Commissioners. Also, a motion by Rook and seconded by Allen that Mr. Dixon furnish 5 yards of gravel and 40 feet of tile for the total cost of \$25.00. Another motion made and seconded was that all Fire District batteries for the trucks be marked and that we buy an extra battery, cable and clips, to be in readiness at all times at Chuck's Service Station.

Signed: B. C. Terry, Secretary.

**New Headquarters for
the Scouts.**

It was announced at the last School Board meeting that a contract had been let to enclose the open room under the school, now being used as a meeting place of the Boy Scouts. This news was received with a great deal of pleasure by the Scouts, as well as those living in the vicinity: with the new drum and bugle corp now being organized, the beat of the drums and the toot of the bugles will be somewhat muffled during the practice period. The new quarters will also be considerable warmer.

**Brisbane loses an esteemed
Citizen and Businessman.**

The sudden and un-timely death on February 19th of "Chuck" May was a great shock to the Community and to all those who knew him. His loss will be felt for many months to come.

Charles H. May was born in Salem, Oregon, April 21, 1894. He moved to Brisbane and opened a general Automobile Service Station in 1939. Due to his fair dealings and lovable nature, he prospered and was able to erect a fine new store that is a monument to himself and a credit to Brisbane. His widow, Francis and two sons are carrying on the business in the tradition he established. For the past five years, "Chuck"

had served the public as a very able and honest Fire Commissioner.

Highway Traffic Lights.

In response from the Chamber of Commerce, word was received from Sacramento that the contract for the Highway Traffic Lights and placing of channels to facilitate left hand turns in and out of Brisbane, had been let and the work should start in the very near future. Some idea as to what will be done is now taking place from the County Line to Geneva Avenue, and will be somewhat similar to the entrance at Mills Field.

Post No. 473 will hold their monthly Legion show at the Brisbane Theatre on April 15. Cash prizes to be given away will total \$125.00. The American Legion Shows are for the purpose of obtaining money to erect a Veteran's Memorial Building in Brisbane. The two previous shows were played to a full house and were a great success.

The monthly Bingo party and dance are held the last Saturday of each month at the American Legion Hall. Every one is invited to attend.

Brisbane Post No. 473 will hold initiation for new members at the Legion Hall sometime in April. Watch for exact date.

City Directory.

Brisbane City Directory is still not a reality. The Chamber of Commerce, who sponsored the issuance of the Directory, is taking all legal action possible to recover for the advertisers money they spent for ads. The Directory turned out to be a very sad mess which was no fault of the Chamber, although the printer would like to have the advertisers believe the Chamber at fault. The Chamber of Commerce has secured the signatures of practically all the advertisers authorizing the Chamber to go ahead in its efforts to secure a redress. Please be patient as the wheels of justice turn very slowly.

Red Cross Drive

During the week of March 15th the Red Cross Drive was conducted in Brisbane with a result of \$234.50, collected of our \$400.00 quota. The American Red Cross extends their thanks to those who participated as well as those who generously gave.

Lou Terry, Bob Allan and Mr. Boehmer conducted the drive in the business district. Allan, Boehmer and Wm. Rook worked with Jack Grabosky, our Scoutmaster. Jack had most of his boys on the job all day Saturday and canvassed the town in groups under the guidance of the above named, while he remained at the booth in front of the post-office from 8 A. M. until 6 P. M.

Better than \$100.00 was collected at the booth, thanks to Jack and his splendid sales talk. The people of Brisbane should be extremely proud of the Boy Scout Troop No. 134 as most of them reported all slicked up and shining like a new silver dollar; full of enthusiasm. They had the town completely covered before noon.
